

**Immanuel Guidelines\***  
**Approved by Council**  
**March 4, 2022**

1. For those who ARE FULLY VACCINATED, masks are not required at worship and other events.
2. MASKS ARE RECOMMENDED FOR ALL due to assembly singing, spoken responses and youth who are unable to vaccinate.
3. Those NOT FULLY VACCINATED ARE HIGHLY RECOMMENDED to wear a mask for your own health and the health of others.
4. Seating in the Balcony and the Hemgren Room is RESERVED for those who want **to wear masks and social distance**.
5. Please use a Hospitality Bracelet (red, yellow or green) to respect your own and other people's comfort and needs for distance.
6. **Those with immune suppressing medications and cancer treatments might check with their doctors regarding their vaccinations and their immunity. Even with vaccination, this group may not build antibodies to the virus and could still be at high risk for the virus and serious complications.**
7. If you are sick or experiencing fever, cough or shortness of breath, please stay home.
8. Online worship will continue both live and recorded.

\*These guidelines may be revised as the council continues to review Missoula County Health Department guidelines and local and state case numbers.
